President Hoover in Colfax Tuesday A. M.

Nevada City Citizens Will Be at Depot When President's Train Arrives at 6:30

In answer to a wire sent by the Nevada City Chamber of Commerce asking him to greet Nevada County residents at Colfax tomorrow, a wire was sent by President Hoover early this morning as follows:

Laramie Wyoming,
Nevada City Chamber of Commerce,
Nevada City, Calif.
PRESIDENTS TRAIN WILL STOP AT COLFAX AT SIX THIRTY TUESDAY MORNING.

LAWRENCE RICHEY,
Secretary to the President.

In order to properly greet the president, who was at one time a resident of this county, all Nevada County citizens are urged to get up a little earlier tomorrow morning and make the trip to Colfax.

There have been several different reports given out as to the time the presidential train will arrive in Colfax. The right time is half past six tomorrow morning and the train will be on time.

No political demonstration is to be made. This is to be a greeting to the president of the United States and not to the leader of a party.

Thirty seven years ago, Herbert Hoover worked as a miner in two Nevada City mines. In memory of that time Nevada County is presenting President Hoover with a galvanized tin lunch bucket of a model used in the 90's. The bucket will be filled with gold ore specimens from the following mines.: Empire, Pennsylvania, North Star, Golden Center, Idaho-Maryland, Empress, Murchie and Hoge. On the lid of the lunch bucket is printed, "H. HOOVER, Reward Mine, 1895, Nevada City, Cal."

This meting with the president is being sponsored by the Nevada City Chamber of Commerce with the aid of several prominent citizens of Grass Valley and Nevada City.

Upon leaving Colfax, the presidential train will pull into Sacramento at 8: 15, where the citizens there will welcome him. Later in the day the train will move on to San Francisco, a parade being given for the president there. Before the polls close, the chief executive's party will be in Palo Alto, where President Hoover will cast his vote.

SIERRA DEVELOPMFNT CO. TO INSTALL MILL

Russel Haddy of the Sierra Development Company from Forest, has been in this city for the past few days. He is planning a trip to San Francisco and Oakland tomorrow or the next day with the inspection of mills as his object.

The ball mill now installed on the company's mine at Forest is found to be not making the proper extraction from the ore. It is now shut down although the company has over a thousand tons of payingore mined and ready to run through. This ore will be held until a new mill is installed. An electric power line runs through the company's mining property, so power is readily available.

Mine prospects continue to look good a san unlimited amount of good pay ore is staked ready for mining.

GRASS VALLEY MINE NOW CLEARED OF LITIGATION

It is reported from San Francisco that the Boundary mine of Grass Valley has been cleared of its litigation difficulties. Indications are that the mine will be re-opened and put on a production basis at an early date.

The mine should occupy an important place in the paying mines of this district.

Mr. and Mrs. H. E. Bolton and family, motored to Colfax yesterday. They were accompanied by Constable Thomas Oliver, father of Mrs. Bolton, who has recently recovered from an illness.

OLD TIME RESIDENTS VISIT HERE SUNDAY

Mr. and Mrs. Bill Rodda, with their daughter Norma Jean, Rodda, a brother to Bill and their neice Helen Carpenter, were visitors in Nevada City yesterday from Berkeley. The men, uncles to Mrs. H. B. Wright of this city, were well known residents of Nevada County a number oy years ago.

Bill Rodda, the famous Mission shortstop, several years ago, although sold to Minneapolis before this season wa sover, le dthe Southern Association in runs batted in, runs scored and turned in a batting average of 321 for 1932. He has played for Tennessee for the past two years.

Jac Rodda, born and raised in Nevada City, is machine shop foreman of the Byron Jackson Pump Company in Berekeley.

The visitors motored up Saturday afternoon and spent Sunday in Nevada City and French Corral. They plan t oreturn in about two weks for a months visit.

EDWIN SMITH PASSES AWAY THIS MORNING

Edwin Smith, 77-year-old resident of Nevada City, died this morning at one o'clock in his home here. Seemingly in good health, the elderly man was unable to revive from a case of acute indigestion. He leaves a wife and four children. The children are Mrs. Zeta Connelly of Oakland, Mrs. Minnie Hall of Folsom, Mrs. Edna Randall of Martinez and Mr. Orrin E. Smith of Sacramento. He was also an uncle of R. N. McCormack of this city, Nevada county clerk.

Living in Nevada City all his life, Mr. Smith was for the past 27 years janitor of the Nevada City grammar school. Previous to that time he had been a miner working in the local mines.

Mr. Smith was a devoted husband and father and was highly esteemed by all who knew him. His quiet, friendly greetings in his daily coming and going to school will be missed by many in the section of town where he lived.

For over 50 years the deceased was a member of Oustomah Lodge Odd Fellows of this city.

The funeral will be held from the Holmes funeral parlors in this city Wednesday at two o'clock under the auspices of the I. O. O. F.

POWER FOR GOLD MINE IN ELDORADO COUNTY

The Pacific Gas and Electric Company is extending a power line to the Sleger gold mine property, near Georgetown, El Dorado County.

The good showing of ore recently uncovered has made the immediate development of power necessary.

SUPERIOR COURT

The following matters will be heard in the superior court by Judge Reglan Tuttle:

Guardianship, James L. Shetterly: Hearing second account Estate Adellaide Morandi, deceased: Final account and petition for distribution Estate of Catherine J. Dawe, deceased. Final account and petition for distribution .

Retailers Credit Association vs. T. A. E. Corporation. Demurrer.

Slancey vs. Beckell. Demurrer.

Coming to town from French Corral this noon time, Mr. Ernest De Pratti of the Three Black Cat mine is staying over until tomorrow, when he will vote in Grass Valley. Born on the first day of 1845 and a civil war veteran, De Pratti still gets around the country in a manner that belies his age.

The Nugget will have direct connections with the Western Union Telegraph Company tomorrow night on the election returns. We will post bulletins in the front windows and also answer all phone calls on the national returns. Watch our front windows or Phone 36 and we will gladly give all available information.

FORMER RESIDENT PASSES YESTERDAY

Bayliss B. Lindley, 31, a former resident of Nevada City, passed away early Sunday morning in Berkeley, after a severe attack of pneumonia. In recent years Mr. Lindley had lived with his mother, Mrs. Vivie R. Lindley, in Berkeley.

Young Lindley spent his boyhood in Nevada City and received his early education in local schools. After the death of his father, he moved to Berkeley in 1919, together with his mother and brother, where the family has since resided. He graduated from the University of California with high honors and later received his diploma from the University of California School of Law.

In spite of years of residence away from Nevada City Lindley has always remained attached to his old home, and has made frequent visits here.

Lindley was taken ill with influenza about a week ago but continued work at his desk with the Penn Mutual Life Insurance Co. in San Francisco until forced to go to bed. He was later taken to the Humboldt hospital in Berkeley, but his heart proved unequal to the strain of pneumonic symptoms and he passed away at two a. m. Sunday, November 6th.

Lindley was a patriotic enthusiast in the welfare of his home city and participated in many activities here. He was a member of Nevada City Lodge, B. P. O. E.; Nevada Lodge No. 13 F. & A. M.; Nevada Chapter No. 6, Royal Arch Masons; Nevada Commandery Knights Templars. He is survived by his mother, Mrs. Vivie R. Lindley, of Berkeley, Cal.; his brother, Charles R. Lindley, of Los Angeles, Cal.; an uncle, William O. Lindley, of Altadena, Cal.; and his cousins, G. J. Rector, E. M. Rector, and Mrs. Lola Worth, of Nevada City, and Mrs. Maude Graves Loller, of San Francisco.

Funeral services will be held at Trinity Episcopal church, Nevada City, at 2 p. m. Tuesday, November 8th, followed by Masonic ritual at the grave. Friends are invited to be in attendance.

MORE MINING ACTIVITY IN THIS TERRITORY

A small gallows frame is being erected on the Phoeinx Claims adjoining the Allison Ranch on the south. Al Adams is the mine plant manager.

It is reported that rock running up to $17.00 per ton has been opened up. The Riley family owns the claims.

MARKHAM, FIRE SETTER, PLEADS GUILTY TO CRIME

Last Friday Al Markham of Grass Valley pleaded guilty to a misdemeanor of unlawfully setting fire to property other than his own without permission of the owners. He did this before Judge Raglan Tuttle in the superior court of Nevada Co.

Markham set 20 fires on Alta Hill last October the 3rd in Grass Valley.

Originally Markham was formally charged under section 447A of the penal code calling arson a felony. He was held on $5000 bail. Later the charge was lessened to a misdemeanor under section 384 of the penal code.

Through his counselor, Kelley, Markham pleaded guilty to the lesser charge and asked for probation. He is being held until November 18th, when Judge Tuttle has asked that the probation officer make a report and recommendation to the court.

ROCK THROWING HUSBAND GIVEN 60 DAYS IN JAIL

When taken to trial for hitting his wife and a man companion in the face and head with a rock, George W. Brown of Grass Valley waived reading of the information pertaining to the crime. Instead of going through court trial procedure, Brown pleaded guilty to simple assault with a deadly weapon.

Judge Raglan Tuttle of the superior court sentenced the man to 60 days in the county jail.

Dr. Tickell is attending Mr. A. Anderson of Spenceville who is now staying at the National hotel. Anderson was brought here from Spenceville by his sister, Mrs. Ella M. Austin, County Superintendent of Schools in Nevada County last Saturday.

SIERRA COUNTY PIONEER DIES AT MASONIC HOME

CAMPTONVILLE, Nov., 4.—Mr. Thomas Jackson Byrd, renowned pioneer of this section, passed away Tuesday morning at the Masonic Home at Decoto, where he has been a resident for the past several years.

Deceased was one of the most remarkable men of the age, having attained the 97th year, remaining both mentally and physically active until the day he died. He was born in Lumpkin County, Georgia, and at the age of 17, came to California, landing at Coloma, where he spent one winter, then moving to this section, where he spent the rest of his life. When he arrived at Camptonville, he found it a lively mining camp, witnessing 13 fights in the streets the first morning he was here before breakfast.

He has the record of never having worked for wages, but followed the lure of the west, in quest of gold, and during his mining career he made from nothing a day up to as much as $1,500, in one day.

He was a faithful member of Gravel Range Lodge No. 59, F. & A. M., of this place, being the oldest member, belonging for 59 years, having the honor of being the first Mason in California to receive a fifty year service button. He never missed a meeting when he lived here. Could fill any office of the lodge, and many times in his eighties would walk eight miles over rough mountain trails to attend lodge. He was a favorite at the Masonic Home, being one of the few never to complain, to enjoy life, and always have a pleasant word with those about him.

Masonic services will be held at Decoto, the body cremated and later the ashes interred in the family plot in the local Masonic cemetery.

LOS ANGELES MAN FAVORS NUMBER 11

Residents of northern California and other parts of the state would benefit increased revenues from oil royalties and relief to the unemployed if amendment No. 11 is passed by the voters Tuesday, according to Attorney Allen Miller of Los Angeles, who was a visitor in Nevada City this week, in the interest of the bill.

The amendment empowers the city of Huntington Beach to use tidewater lands within the city's boundaries for recreational and industrial purposes, Attorney Miller explained.

The chief source of revenue would be derived through oil development by off-setting some fifteen wells drilled by the Standard Oil Company on a strip of shore land where there are no residences nor business, he said.

"The beach at this point is hedged by a ten-foot retaining wall and has no value for recreational purposes. It is estimated that the city and state would receive millions of dollars from such off-setting.

"Opponents of the measure are urging the people to 'save the beaches' but in this case there is no beach to save. The amendment affects only Huntington Beach and can be interpreted in no other manner," he said.

"The bill was passed by both houses of legislature in 1931, but was vetoed by the governor at the request of special interests opposing the amendment."

FOREST GOLD MINE NOW EMPLOYS THIRTY MEN

A new 900 cubic foot compressor is being installed in their placer gold mine at Forest by the Sierra Pacific Gold Company, Ltd. This compressor is capable of operating 10 drills.

At this time there are thirty men working on the company's Forest mine, under the direction of C. E. Gilman, San Francisco mining engineer, with offices at 444 Mills Building.

The new Huelsdonk gravel washing and concentrating machine that was installed on a trial basis recently is now said to be making a very satisfactory gold recovery.

Full production work is now in full swing. It is understood that eight upraises have been made to the channel bed from the tunnel beneath the bed rock.

Mrs. E. M. Rector visited her sister, Mrs. C. A. Libbey of Eureka, recently.

Grass Valley Takes Football Game, 6-0

HALLOWE'EN FUN AT CAMPTONVILLE

CAMPTONVILLE, Nov 4.—The community can boast o fthe fact that it has a population of young people, who can celebrate the ancient Hallowe'en custom to their hearts desire and at the same time not do any damage to either persons or property. The population of this place, differing considerable from its neighboring towns, is located in a radius of from five to seven miles from the town, scattered here and there, with a small percentage living within the town limits. Hence, most of the young generation does not live right in town; however, they made it a point to come in and spend the night with their relatives or friends in order to be where they could at least have some fun on Hallowe'en. And fun they had, with ghosts, and goblins, and all the weird noises which accompany a genuine Hallowe'en. Headquarters for the gang seemed to center at the home of Miss Dorothy Hays, where during the evening, delightful refreshments were partaken of, and a general good time had.

In the morning, the rest of the population arose to find out what had happened the night before. The county road grader was parked up to the doorway of the Justice Court. One of the large Forest Service cookers was planted in the telephone booth, which was not discovered until a patron attempted to use the booth, the benches on the hotel porch were placed on a peddling truck and in the town ball ground, a huge Standard Oil sign was placed across Acton M. Cleveland's front door so that he had to leave by way of the back door in order to get out of his house, and the twn was otherwise amiss, but it was all done in clean fun, with no damage or mean tricks to anyone.

MRS. A. A. ADAMS CALLED HERE FRIDAY & SATURDAY

Mrs. Annette Abbott Adams, with her brother, E. H. Abbott, motored to Nevada City last Friaday from Redding, where Mrs. Adams made a political speech before the Democratic Central Committee.

Mrs. Adams, at one time, Modoc County high school principal, later opened law offices in San Francisco where she became United States District Attorney for the Northern district of California. She was the first and only woman in the United States to be appointed to such a position.

The high light of her career in the U. S. District Attorney's office, was her successful prosecution of the famous Hindu conspiracy case and the German consulate trial for violation of the neutrality laws of this country in 1916.

On account of her marked ability shown while in San Francisco, Mrs. Adams was called to Washington, D. C. and appointed an assistant Attorney General of the United States. The Attorney General has eight assistants.

Serving in Washington up until the administration of President Harding, Mrs. Adams made an enviable record in the capital of the United States .

In 1921, she returned to San Francisco, where she entered the private practice of law.

During the present political campaign, Mrs. Adams is actively engaged in the cause of Roosevelt, Garner and McAdoo.

Mrs. Adams and Mr. Abbott, after spending several days visiting with friends in Nevada City, motored back to San Francisco yesterday from where they started their political tour.

PEOPLE VS. JONES CASE CONTINUED UNTIL 28TH

Last Friday Judge Raglan Tuttle of the Nevada county superior court ordered the case of the People vs. H. B. Jones to be continued until the 28th of this month. The postponement was given at the request of Jones, the defendant.

Last August Jones allegedly killed his wife with a shotgun at their home near Forest Springs below Grass Valley.

Local Team Makes Splendid Showing Against Heavier, More Experienced Rivals

Grass Valley high school foobtall team carried too many big guns for the local high school contingent Saturday afternoon. Scoring by inches five seconds by the timer's watch before the first half ended, Grass Valley had all she could do to hold her 6 to 0 lead until the end of the game. The visiting team deserves credit for winning a mighty tough game. Coach Bill Wilson's charges played a snapply brand of ball throughout the game and were heads up all the time.

Lack of thorough seasoning and a decided handicap in weight were the big factors in Nevada City's defeat. Outweighed at least 12 pounds per man, the local boys played their hearts out only to be nosed out by a far more experienced team.

Fully 500 enthusiastic fans crowded Cashin's field and saw Coach Bev Barron's team play into some of the toughest luck they have had all year. Some of the breaks were directly from lack of experience and still others just happened.

A play-by-play description of the game is as follows:

FIRST QUARTER

"Monk" Brown of Grass Valley kicked off to Nevada City on the 3 yard line. Chapman carried the ball back to the 26 yard line. Oates carried ball out of bounds for no gain. Oates gained 1 yard over left guard and then Chapmen punted to Painter, elusive Grass Valley safety man, who brought the ball back 6 yards to the Grass Valley 48 yard line.

Brown going over right guard for 9 and 2 yards in two plays, put the ball for first and ten on the Nevada City 41 yard line. A yard over center, 2 yards over right tackle and a pass knocked down by Chapman forced Grass Valley to punt. The ball went over the goal line, so Nevada City 1st and 10 on the 20 yard stripe.

Pierce plunged 2 yards over left tackle, but Grass Valley was given a 5 yard penalty for offside. Pierce made the first down over left end for six yards on the 31 yard line. Chapman swept right end for 5 yards and Pierce gained 3 over center. On a left end run Oates was spilled for a 6 yard loss when Brock, Grass Valley tackle knifed through. Chapman punted out of bounds on the Grass Valley 48 yard line.

Painter, on a left end run advanced 5 yards and then made 8 yards over right tackle for a first down. A lateral pass was smeared by Nevada City for no gain. Fullback Brown of Grass Valley made 6 yards over center on a spin play. A. period out. Painter pass no good and Hawkins plunged a yard on fourth down, failing by 3 yards of making first down.

Nevada City first and 10 on her own 32 yard line. Pierce gained 5 yards over right tackle. Pierce on an end run made 6 yards but the ball was brought back and Nevada City was penalized 15 yards for tripping. A reverse, Hoffman to Chapman lost 3 yards and on a spin Oates made a yard. From the 20 yard striper, Chapman punted high to Painter, who brought the ball back to his own 49 yard line.

Grass Valley passed but Chapman slapped it down. In two plays over left tackle, Halfback Younkers made 30 yards. With fourth down and 7 to go, Brown punted out of bounds on Nevada City's 24 yard line.

Chapman lost four yards on an end run. Pierce in two cracks at the left tackle made 6 and 7 yards respectively. With fourth down and one to go Nevada City elected to kick. Painter caught the ball on his own 44 yard line and was dropped in his tracks by Bob Tamblyn as the quarter ended.

SECOND QUARTER

A lateral pass, Painter to Hawkins, gained 3 yards for Grass Valley. Hawkins passed incomplete and then kicked to Hoffman on the Nevada City 10 yard line. Pierce plunged over the line for 3 yards. Chapman made 1 yard over right end. A high punt went to Painter

TOMORROW IS THE DAY

Tomorrow is the day when every voter should do his duty and go to the polls and as Hiram Johnson says "when he is alone in the booth with his conscience and his God" vote for what he believes to be to the best interests of all the people of the United States.

And to use an expression of C. K. McClatchy, editor of the Sacramento Bee, every voter should have the "guts" to vote his convictions, regardless of any attempt on the part of his employer to coerce or influence his vote.

Reports from all over the United States indicate that Franklin Roosevelt will be elected president by a large majority. We will not discuss the reason why this expected to be the result. Almost every voter has heard the issues presented by both sides over the radio. There is one fundamental thing, however, that stands out. The Hearst newspapers, the Scripps-Howard newspapers and other powerful influences have been thrown to Roosevelt because it is believed that the time has arrived in the United States when there should be a fundamental change.

It has been increasingly apparent for some years in the United States that wealth is being concentrated in the hands of a few men. In other words the rich have been getting richer and the poor poorer. The editor of the Nugget is not wise enough to be able to say just how this fundamental condition is going to be changed but it must be changed or else revolution will take place at no distant date. The American people are very patient. They have endured their misfortunes with great fortitude. But there is a limit to human endurance and the extremes of wealth and poverty are too apparent in this country. We are not radical and we do not believe that Bolshevism is the cure for present evils. We believe that the capitalistic system can be modified and modernized to correct the evil referrd to. And we pin our faith on Roosevelt and the Democratic party to make a start in this direction.

Regarding local politics, the Nugget is for Cary S. Arbogast for supervisor. We believe that county taxes are unnecessarily high and that a change in the personnel of the board of supervisors will be a good thing for Nevada county at this time. We have no personal reasons for advocating the election of Mr. Arbogast other than the fact that we believe that county affairs will be administered to better advantage if he is elected supervisor. Every one who knows Mr. Arbogast can vouch for his honesty, straight-forwardness and integrity. His platform of "Lower Taxes and Better Roards" strikes a popular demand in this county. Therefore, we would recommend that the voters of this district cast their ballot for Cary S. Arbogast for supervisor.

DO YOU WANT
YOUR TAXES
INCREASED?

DO NOT BE MISLED!

Amendment No. 9 would cause the imposition of

A new State Income Tax on what you earn;
A new selective State Sales Tax on what you buy;
A new State Ad Valorem Tax on what you own.

Dr. David Prescott Barrows, Professor of Political Science, former President of the University of California has this to say about Amendment No. 9:

"This initiative measure proposes to transfer a further proportion of school support from the counties to the state. Its announced purpose is also to reduce local taxes on real estate and personal property. The latter object may be desirable, but there is reason to believe that this initiative measure would leave our tax system—and ultimately our land tax burden—in a worse situation than we have already. The measure *increases the cost* of education and compels the state to find the additional money. * * *

Proposition No. 9 should be voted down."

TAXES ARE TOO HIGH NOW

Vote NO Amendment 9

NOVEMBER EIGHTH

GRASS VALLEY WINS FOOTBALL GAME 6—0

Continued from page one

who was thrown back to the Nevada City 35 yard line.

Two eligible Grass Valley pass receivers got past the Nevada City secondary defense, but Hawkins passed the ball too far. On an attempted end run, Tucker, Nevada City sterling center, nailed Younkers for an 8 yard loss. Immediately following Casci threw Hawkins for a 10 yard loss. With fourth down and 28 yards to go on their own 47 yard line, Grass Valley had to kick. Chapman received on his own 24 yard line and was dropped for no return.

Running his own left end, Chapman advanced 3 yards. Pierce, with a beautiful straight arm skimmed around right end for 9 yards before being forced out of bounds for a first down. On another left end run, two Grass Valley linesmen broke through the line and smothered Chapman for a 3 yard loss. Ralph Pierce was knocked out on the play and Kitts took Younders' place at left half for Grass Valley. Breaking up another play, Brock downed Oates behind the line for a 3 yard loss. Pierce lost a yard and Nevada City punted from the 29 yard line to Painter on his own 48 yard line. Painter squirmed with the ball to the middle of the field.

Kitts plunged for a yard off right tackle. He made two more by cutting in on a right end run. Hawkins plunged two more over center and Grass Valley was forced to kick. Hoffman tried to let the ball bounce over the goal line, but it took a crazy bounce to the side. In trying to down the ball, Hoffman slapped it making it a free ball. A Grass Valley player fell with it on the Nevada City 6 yard line. Mingus and Breezley went in for M. Sutherland and Kitts of Grass Valley with three minutes to go in the half. Two plays made 4 yards. Trying a center smash, Brown fumbled, the ball went over the goal line and Chapman fell on it for a touchback.

Nevada City's ball first and ten on their own 20 yard line. Slashing his way, Pierce made 5 yards through right tackle. Painter intercepted a pass from Oates on the 35 yard line and ran the ball back 15 yards.

Hawkins passed to Labidie who tackled so hard by Pierce that the ball squirted out of his hands. The referee called it an incomplete pass. Final receiver on a double reverse play, Painter scampered around right end for 18 yards, giving Grass Valley first down and two to go for a touch down. It took every inch gained by Brown and Hawkins in four line smashes to put the touchdown over. On the last down, Brown barely pushed the ball over the goal line with but 5 seconds left to go in the half. The place kick for extra point went wild, Grass Valley 6 Nevada City 0.

Grass Valley kicked off as the half ended.

THIRD QUARTER

Grass Valley kicked off to the 15 yard line. Oates ran the ball back 11 yards. On a double reverse, Chapman tore around right end for 20 yards. Fullback Oates, went over right tackle for 3 yards and then lost a yard running left end. Chapman receiving the ball on a double reverse, dodged to the Grass Valley 43 yard line for a first down. Oates carried the ball out of bounds for no gain. Left end, Doyle lost 5 yards on a reverse. On another reverse, Hoffman fumbled the ball but recovered for a 12 yard loss. Right guard, Casacattari of Grass Valley. blocked the punt and his team mate M. Sutherland, recovered on his own 40 yard line. Bill Sharp, of Nevada City, went in for Harry Brown at right guard. Harry played a whale of a game but took a terrific beating from the heavier Grass Valleyans.

A right end run by Castles gained 4 yards for Grass Valley. The same play lost a yard when Castles was run out of bounds. Clark went in for Schiffner at left tackle. Del was another boy who was in there all the time and took a beating for it. Painter went off tackle for 6 yards. Castles punted over the goal line a beautiful kick.

Nevada City first and ten on the 20 yard line. "Monk" Brown of Grass Valley ,tackled Pierce hard on a double reverse which made 2 yards. Pierce crashed over left guard and chalked up 7 yards, but the officials said both sides were off side and brought the ball back. For some unknown reason the ball was put into play again on the Nevada City 20 yard line instead of the 22 yard line. Ralph Pierce, the human battering ram, was knocked out on the play and was replaced by Barker at right half. Oates punted out of bounds on the Grass Valley 47 yard line.

"Monk" Brown gained 4 yards over right guard. On the same play he made 3 more. Painter took the ball on a right end run and gained 1 yard when forced out of bounds. Castles then punted out of bounds on the Nevada City 34 yard line.

On an end around, Doyle gained 6 yards. Barker gained a yard around left end. Barker was nabbed for a 4 yard loss on another left end run by Cassattari. Oates kicked to Painter who brought the ball back 9 yards to his own 43 yard line.

Castles passed to Painter who received on the Nevada City 42 yard line and ran another 10 yards. A reverse, Brown to Younkers, lost a yard. Brown on a spin lost 3 more. Castles passed over center, but Oates knocked it down. A high punt to Hoffman was caught but not returned on the 6 yard line.

Oates gained 5 off right tackle. Chapman gained 2 on a right end run. Going over right guard for 5 yards, Oates made it first down. Oates cut in on a left end run for a yard gain to the 19 yard line. Right end Labidie of Grass Valley nailed Oates for a 2 yard loss. The punt to Painter was brought back 3 yards to his own 38 yard line as the third quarter ended.

FOURTH QUARTER

Grass Valley was penalized 5 yards offside.

A spin plan gained a yard, Kitts to D. Sutherland gained 3 yards. Kitts went over center for 5 yards. Castles punted out of bounds on Nevada City's 27 yard line.

A left guard plunge gained 3 yards with Oates packing. On the same play he gained 4 more. Baker fumbled and lost a yard. On the punt by Oates, Kitts received but fumbled when Wes Barry tackled him hard. Bob Tamblyn of Nevada City recovered on the Grass Valley 42 yard line. Barry was knocked out on the play. Gilbert of Grass Valley went in for Kitts.

D. Sutherland intercepted a pass from Oates on his own 37 yard line where he was downed.

On a right end run, Painter gained 16 yards. Brown carried the ball out of bounds for no gain. A short underhand pass from Casetls to Le Duc, of Grass Valley tackle, was fumbled and recovered for no gain. A double reverse, Brown to Painter to Mingus around left end gained 8 yards and the ball was then kicked out of bounds on Nevada City's 11 yard line.

Oates, the demon fullback, rambled over left tackle for 28 yards. Mingus tackled Oates for a yard loss as he tried to run around left end on a fake line play. Barker made a yard over right end , Barker duplicated for another yard. Joy went in for Doyle at left end for Nevada City and Schiffner went back in for Clark. Chapman punted to Painter who brought the ball back 22 yards to the Nevada City's 48 yard line.

A left tackle buck gained a yard for Grass Valley. Hawkins went over right tackle for 6 yards. Brown faked the ball to Mingus and then busted his way to the Nevada City 31 yard line for a first down. Brown passed to Painter 10 yards for another first down. Brown went over left end for 2 yards. On the play, Schiffner was knocked out and Flindt took his place. Painter fumbled but recovered for a 9 yard loss on the 28 yard mark. Brown, on a reverse, went to the 16 yard line. With fourth down and 5 to go Painter gained 3 yards over right tackle.

Nevada City's ball, first and ten on her own 13 yard line. Brown tackled Barker for a yard loss on a double reverse. Labidie nailed "Chick" Barker for another yard loss on an end run. Barker was hurt on the play. Sharp went in for him. Oates gained 2 yards over left guard as the game ended.

Although Painter was the outstanding player on the Grass Valley team, the red and gold boys all deserve credit for the victory.

To pick stars on Coach Barron's team would be an injustice to the rest of the players. The line from Tamblyn right on through to Doyle and Joy, played the game with everything they had. Ten or fifteen more pounds per man and they'd push all of these other high school lines all over the field.

The backfield players were in there all the time, too. Give them a year's more experience and with the same pepper they show now, you couldn't stop them.

James Grimes of this city, after spending a fortnight in Oakland, returned to Nevada City last Friday afternoon. Grimes says that he returned primarily to cast his vote tomorrow.

"WELL, WHAT ARE YOU GOING TO DO ABOUT IT?"

The Challenge

To the fair-minded, square-dealing, neighborly people of California, Enthroned Monopoly asks the question. The voters of the State will furnish the answer on November 8.

The Issue

At Huntington Beach is one close to the hearts of Californians. The people should own the beaches, but at Huntington Beach an international oil corporation, in the enjoyment of monopoly, straddles a strip of beach like a giant spider, sucking up and consuming the natural wealth which rightfully belongs to city and State. Amendment No. 11 on the ballot grants to Huntington Beach the same rights reserved to other coastal cities of California, and affects only that strip of beach already claimed for oil production by private monopolv.

The Effect

Of the adoption of Amendment No. 11 will be to permit Huntington Beach and the State of California to share in the profits from the people's oil now being drained for the benefit of private monopoly through the drilling of offset wells, and thus materially reduce taxes for city and State.

A Small Town

Is fighting for its rights against a great corporation and makes its neighborhood appeal that you vote YES on Eleven.

VOTE YES ON AMENDMENT NUMBER 9

The taxpayers of Nevada City should support Amendment Number 9, for the following reasons:

It will reduce taxes on real estate at least 20 per cent.

It will transfer the county's share of school costs to the state.

It will require the legislature to levy an income tax and a luxury tax. This will place taxation on an ability to pay basis.

If Amendment Number 9 were in effect this year, owners of homes, ranches, orchards and other forms of property would save the following school tax monies in

Elementary school fund	$ 13,460
High school fund	20,760
Total	$ 34,220

Respectfully,
ELLA M. AUSTIN

NOTICE OF APPLICATION TO APPROPRIATE WATER

Applications 7024 & 7113

NOTICE IS HEREBY GIVEN, That Edward Bickel, P. O. Box 881, Nevada City, California, has applied to the Division of Water Resources, Department of Public Works, State of California, for permits to appropriate unappropriated water, subject to existing rights.

Description of Project
Application 7024

Date Filed: July 31, 1931.

Water to be Appropriated from: Greenhorn Creek, tributary to Bear River.

County of: Nevada

Amount applied for: 38 cubic foot per second.

Diversion season named: January 1st to December 31st of each season.

Water to be used for: Mining & Domestic purposes.

Point of Diversion within: NE¼ of NW¼ of Sec. 10, T. 16 N., R. 10 E., M. D. B. & M.

Place of Use described: Sailor Flat mine of Fenton Gold Mining Corp., within Sections 4, 5 & 8, T. 16 N., R. 10 E., M. D. B. & M., as shown on map filed with the Division of Water Resources.

Water will be returned to Greenhorn Creek within NW¼ of NE¼ of Sec. 8, T. 16 N., R. 10 E., M. D. B. & M.

Application 7113

Date Filed: November 2, 1931.

Water to be appropriated from: Little Greenhorn Creek (sometimes called Spanish Ravine) tributary to Greenhorn Creek, thence Bear river.

County of Nevada

Amount applied for: 15 cubic feet per second.

Diversion season named: January 1st to December 31st of each season.

Water to be used for: Mining & domestic purposes.

Point of Diversion within: NW¼ of NE¼ of Sec. 4, T. 16 N., R. 10 E., M. D. B. & M.

Place of use described: Sailor Flat Mine of Fenton Gold Mining Corp., within Sections 4, 5 & 8, T. 16 N., R. 10 E., M. D. B. & M., as shown on map filed with the Division of Water Resources.

Water will be returned to: Greenhorn Creek within NW¼ of NE¼ of Sec. 8, T. 16 N., R. 10 E., M. D. B. & M.

Relative to Protests

Blanks upon which to submit protests will be supplied free upon request by the Division of Water Resources.

Any person desiring to protest against the granting of such permits shall within 60 days from date hereof, file with the Division of Water Resources, Sacramento, California, a written protest. Such protest shall clearly set forth the protestant's objections to the granting of the applications and shall contain the following information:

(1) Statement of the injury which would result to protestant from such appropriation and use.

(2) The basis of protestant's water right.

(3) Protestant's past and present use of water both as to amount used and land irrigated, or use made of water if other than irrigation.

(4) The approximate location of such land or place of use and of the point of diversion of the water.

A copy of the protest should be sent to the applicant and this office notified that the same has been done.

FEDERAL POWER COMMISSION, Washington, D. C. In compliance with section 6 of the Federal water power act (41 Stat. 1063), notice is hereby given that Nevada Irrigation District, Grass Valley, California, has made application for amendment of its license for project No. 338 on Middle Fork of Yuba river and Canyon Creek and other tributaries of South Fork of Yuba River in Nevada and Sierra counties, California, so as to extend from July 1, 1932, to July 1, 1938, the time allowed for beginning construction of Part 3 of the project works, and to extend from July 1, 1934, to July 1, 1940, the time allowed for completion of said Part 3; said Part 3 consisting of Jackson dam and reservoir, and appurtenant works and structures. Any objections to this application or requests for hearing thereon, together with any briefs, reports or other data of which consideration is desired, should be submitted to the Federal Power Commission, Washington, D. C., before January 31, 1933.

LEGAL NOTICE

SUMMONS

In the Superior Court of the State of California in and for the County of Nevada.
No. 6085

Action brought in the Superior Court of the State of California, in and for the County of Nevada, and complaint filed in the office of the Clerk of said County of Nevada.

Corporation of America, a corporation,
Plaintiff,
vs.
Augustus Stenger, Margaret H. Dickerman, Thomas W. Richards, M. Rosenberg, also known as Morris Rosenberg, and Rose Rosenberg, his wife, John Doe, Richard Roe, Black Company, a corporation, and also all other persons unknown claiming any right, title and estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto,
Defendants.

The People of the State of California Send Greetings To:

Augustus Stenger, Margaret H. Dickerman, Thomas W. Richards, M. Rosenberg, also known as Morris Rosenberg, and Rose Rosenberg, his wife, John Doe, Richard Roe, Black Company, a corporation, and also all other persons unknown claiming any right, title and estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's tite thereto.
Defendants.

YOU, AND EACH OF YOU, are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Nevada, within ten (10) days after the service on you of this Summons, if served within this County, or within thirty (30) days if served elsewhere.

This action is brought to determine the adverse claims to and the clouds upon the title to the real property described in the complaint herein and hereinafter described by the said plaintiff, a corporation, which claims that by itself, or by itself and its predecessors in interest, it has been in the actual, exclusive and adverse possession of such property continuously for twenty (20) year prior to the filing of the said complaint, claiming to own the same in fee against the whole world, and to have paid all taxes of every kind levied or assessed against said property during the period of five (5) years continuously next preceding the filing of said complaint, and which said property is situated in the said County of Nevada, State of California, and bounded and described as follows, to-wit:

All that real property situated, lying and being in the city of Nevada City, county of Nevada, state of California, particularly described as follows:

All of Lot 5 and the west 20.75 feet of Lot 8 in Block 16, Nevada City, California, as shown on the Official map of Nevada City, made by H. S. Bradley in 1869.

Beginning at a point on the south side of Broad Street from which the corner of Broad and Pine Streets bears N. 72 deg. 26 min. W. 120.57 feet, and running thence:

1. S. 72 deg. 26 min. E. 20.66 feet. Thence
2. S. 17 deg. 06 min. W. 173.00 feet to Spring Street. Thence along Spring Street
3. N. 72 deg. 26 min. W. 20.75 feet to the east line of Lot 4. Thence
4. N. 17 deg. 08 min. E. 173.00 feet to the place of beginning and containing 0.0825 acres, more or less.

AND YOU ARE HEREBY NOTIFIED that unless you appear and answer as above required, the said plaintiff, a corporation, will take judgment for any money or damages demanded in said complaint, as arising upon contract, or will apply to the court for any other relief demanded in the complaint.

GIVEN UNDER MY HAND and the seal of the Superior Court for the County of Nevada, State of California, this 27th day of June, 1932.

(SEAL)

NOTICE OF APPLICATION TO APPROPRIATE WATER

Application 6870.

NOTICE IS HEREBY GIVEN that Charles Thompson, care John F. Hoffman, agent, Box 905, Grass Valley, California, has under the date of January 14, 1931, applied to the Division of Water Resources, Department of Public Works, State of California, for a permit to appropriate unappropriated water, subject to existing rights.

Description of Project

Water to be appropriated from (a) Steep Hollow Creek, (b) South Fork of Greenhorn Creek, tributary to Bear river.

County of Nevada.

Amount applied for: 25 cubic feet per second from (a); 25 cubic feet per second from (b); 50 cubic feet per second, total.

Diversion season named: January 1st to December 31st of each season.

Water to be used for: Mining and Domestic purposes.

Point of diversion within: (a) SW¼ of NE¼ of Section 14) (b) SW¼ of NE¼ of Section 20) T. 16 N., R. 10 E., M. D. B. and M.

Place of use described: On Ruth Properties, Ltd., within Section 6, T. 15 N., R. 10 E., Sections 29, 30, 31 and 32, T. 16 N., R. 10 E., and Sections 25 and 36, T. 16 N., R. 9 E., M. D. B. & M., as shown on map filed with the Division of Water Resources.

Water will be returned to Greenhorn Creek at various points within said mining property, principally within NW¼ of Section 36, T. 16 N., R. 9 E., and to Steep Hollow Creek within N½ of Section 6, T. 15 N., R. 10 E., M. D. B. & M.

Relative to Protests

Blanks upon which to submit protests will be supplied free upon request by the Division of Water Resources.

Any person desiring to protest against the granting of such permit shall within SIXTY days from date hereof, file with the Division of Water Resources, Sacramento, California, a written protest. Such protest shall clearly set forth the protestant's objections to the granting of the application and shall contain the following information:

(1) Statement of the injury which would result to protestant from such appropriation and use.

(2) The basis of protestant's water right.

(3) Protestant's past and present use of water both as to amount used and land irrigated, or use made of water if other than irrigation.

(4) The approximate location of such land or place of use and of the point of diversion of the water.

A copy of the protest should be sent to the applicant and this office notified that the same has been done.

LOCAL HAPPENINGS

A shoe sale is now in progress at the Tom Jennings store on Broad street.

Spending Saturday in Grass Valley, Cal Linnell returned to French Corral Sunday.

A. JJ. Baldwin of Oakland will make a trip to Nevada City soon. He is planning an investigation of gravel mines here.

Mrs. Sadie Rogers is slowly recovering from a recent sick spell and also a bad fall which retarded her recovery.

Russel Haddy of Forest is planning a trip to the bay section from here tomorrow or the next day.

Mr. and Mrs. Carl Kopp and two nephews, motored to Oakland Saturday afternoon on a business trip, returning Sunday.

With Louis Riley, Mr. and Mrs. Clyde Mugford and family motored to Sacramento for the day yesterday.

James Boland, Reno mining man, was a visitor in Nevada City the latter part of the week, looking over mining properties.

Mr. and Mrs. Lorin Moody of San Francisco have moved to the C. S. Arbogast ranch northeast of Nevada City, to reside.

James Grimes arrived in Nevada City last Friday, having come up from his home in Oakland to cast his vote here.

Mr. and Mrs. Reginald Pratt, of Ilseton, California, who were married in Reno recently, spent last week end in Nevada City with the bride's father, M. Angiolini.

Frank Ghidotti of the Smith Package Store is having some of his fixtures painted a light blue color which will add to the setting.

Mr. and Mrs. Frank Ghidotti, motored to Sacramento yesterday. Frank again tried his hand at fishing.

Mrs. Ann Larson and her sister Emma Erway, of this city, left this morning for Oakland and San Francisco. They are taking Mrs. Valentine back with them to Oakland. Mrs. Valentine is Mrs. James Erway's mother. She has been visiting her daughter in this city for a fortnight.

Whether or not the fact that the old Shamrock Cafe sign was fonud in Grass Valley the night after Halloween had anything to do with it, you will now notice that the business place across the street has a brand new Neon sign. It is an ill wind that blows somebody no good.

Mr. and Mrs. Acton M. Cleveland of Camptonville, visited his grandparents, Mr. and Mrs. John Langdon in this city Friday. Mrs. Langdon is recovering from a serious sick spell. Mr. and Mrs. Cleveland had also visited their daughter and his parents, Mr. and Mrs. Earl L. Cleveland in Sacramento.

WHY SHOULD WE THINK?

The ranting and haranguing cease,
The candidates retire at will;
A curtain falls before the scene,
And all the land grows strangely still.

For four long years we may forget
Our government an dits affairs;
No need to beat the throbbing drum
To blow our horns or light our flares.

We may return in quietude
To all the usual ways of life,
Untroubled by the strident sounds
Of voices raised in verbal strife.

The ship of state moves on again,
A captain's hand is on the wheel;
Our fears are lulled, she'll make the port,
Her decks are staunch, her ribs are steel.

Her masters will diret her course,
Thru stormy seas, Past rock ribbed shore,
And we'll stand by, a loyal crew,
And cease to think for four years more.

Oh yes, she's freighted with our hopes,
Our cherished plans and fond desires,
And these the tasks required of us,
To swab her decks and stoke her fires.

But never mind, why should we fret?
Her masters will not let her sink;
They'll keep her on her destined course—
Why should we think—why should we think?

A. MERRIAM CONNER.

CAMPTONVILLE

CAMPTONVILLE, Nov., 4.—The following were among those motoring to Downieville Saturday evening to attend the dance: Mr. and Mrs. Fred H. Dutz, Lawrence Turner, Mr. and Mrs. Louis J. Joubert, James L. Joubert, Miss Helen L. Jackson.

Hawley H. Chatfield of Pike City was in town Tuesday on a short business visit.

C. L. Huster of Durham, was in town Tuesday on a brief business visit.

John Schnellmann, High Point rancher, was in town Tuesday on a short business call.

Art King, of Yuba City, passed through town Wednseday from Sacramento, enroute to the upper country.

Julius E. Pauly and son, Myron Pauly, returned Tuesday from a weks business visit at Sacramento and Oakland.

Mrs. Olive Groves and son William left Sunday for Auburn after spending the week at their home here.

Lawrence Turner and Fred J. Joubert, made a business trip to North Columbia Tuesday.

Mr. and Mrs. B. A. Nordyke of Pike City, were in town Tuesday on a brief business visit.

Ben Hartling of Downieville, arrived Monday on a few days visit with friends here.

Harry Deal, motored to Auburn Tuesday to act as a witness in an automobile damage suit.

Lee Bullington, ha sbeen working for W. C. Cunnigham at North San Juan, doing carpentry, for the past few days.

Henry C. Kattenhorn, of Sacramento, who has been gathering trees near the Ruby mine for the Christmas season, left for a trip to his home.

Harry Deal had the misfortune of colliding with the Alleghany stage and a car driven by Kneebone, the Kneebone car and stage were sopped along side of each other, conversoing blocading the road when Deal came along and he could not stop before he was against them. The accident happened near the South Yuba river in a large cut in the highway.

CAMPTONVILLE, Nov., 4.—Mr. and Mrs. Martin V. Turner and Mrs. Joost of Oroville, were in town Saturday, visiting their old home here.

Mrs. Fred B. Hanson and Bob Forbes, motored to Clipper Mills Saturday on a short visit.

Miss Helen L. Jackson and Livingston Cloman, motored to Nevada City Saturday.

Mrs. Acton M. Cleveland, left Saturday for Sacramento, called there by illness of her daughter.

Mr. and Mrs. Chas. A. Jones of Campbell, arrived Friday on a week end visit with relatives here.

Free H. Dutz, moved a large donkey engine on the Mack truck of the Heether Lumber Company from Mt. House to Dobbins.

Mrs. Bernice Shafer and son of Napa, were in town Saturday on a short visit.

Fred J. Joubert, Louis J. Joubert and James L. Joubert motored to Nevada City Saturday afternoon.

James Scott passed through town Friday froom the upepr country enroute to the valley with a band of cattle.

Julius E. Pauly left Saturday for Sacramento to attend a Shriners convention.

Miss Elanor Turner, arrived Friday from Yuba City on a week end visit with relatives here.

Albert C. Sommers, came down from the Ruby mine Saturday, on a week end visit with relatives at Mill Creek.

Miss Esther Lang, came up Friday evening from Yuba City to spend the week end visiting relatives.

A small forest fire broke out Friday evening near Indian Hill. Forest Ranger, Frank W. Maggers, soon had a small crew on the scene, and within a few hours it was extinguished.

Myron Pauly left Saturday for Oakland on a short visit with relatives.

Miss Merle Horwage, is spending institute week visiting her mother, she attends high school at Grass Valley .

Mrs. Olive Groves and son William Groves, motored up from Auburn Friday, to spend the week end at their home here.

Mrs. Elizabeth Fraser. left Sunday for Campbell to spend the winter with her daughter, after spending the summer at her home here.

CAMPTONVILLE, Nov., 4.—Art King, of Yuba City, passed through town Wednesday, enroute to the upper country.

Miss Lola M. Labadie and her father, W. J. Labadie, of Browns Valley ,were in town Wednesday visiting relatives.

Deputy District Attorney W. C. Rucker, of Marysville, was in town Wednesday on legal business.

Mrs. Acton M. Cleveland, motored to Sacremento Thursday to visit her daughter.

Louie Kopp of Nevada City, was in town Thursday on a short business visit.

Sheriff Chas. J. McCoy and Deputy Phil Wilcoxin of Marysville, accompanied by J. L. Hewitt, alleged bad check passer, were in town Wednesday.

George Williams anr brother Bill, of Oakland, were in town Thursday on a short visit to their old home.

Miss Maud M. Ellis, County Welfare Agent, was in town from Marysville Thursday on official business.

Attorney Richard Lazarus of Marysville was in town Wednesday attending to legal business.

First District

In Every Seed There is a Something

That knows how to take from its environment the wherewithal to build the body of the organism it animates. From the little seed you place in the ground this something sends roots into the earth, blades or branches into the air, and takes from the earth and the air that with which it builds.
Within the egg this something is wooed to life by the warmth of the brooding mother's breast.

Chiropractic

Teaches that this something knows the secret of converting food into flesh and blood, and carries on all the processes of life, in the human body, by means of impulses sent over the nerves. It teaches that when a nerve is impaired by a vertebra becoming misaligned, these impulses do not flow over the nerves normally, and the result is what we call dis-ease. To get the dis-eased member to function again it is necessary to adjust the vertebra that is pressing on the nerve ,to normal alignment, thereby permitting the normal flow of impulses over the nerve.

To adjust the vertebra to normal alignment is the work of a competent chiropractor.

A trial will convince the most skeptical of the correctness of these principles.

X-RAY

and why we use it in our work. We get your health back and waste no time in doing it. No one enjoys being sick. We do not care how many things you have tried before you come to us. If you are sick we firmly believe we can get you well, if it is possible to do so. Maybe you have been to a Chiropractor and he did not help you. May we ask: Did the Chiropractor take an X-Ray of your spine before he worked on you? If he did take an X-Ray and you are not well, blame the Practitioner only, not the science. X-Ray Chiropractors can and will get you well ,regardless of your sickness or weakness or the length of time it has been standing.

Any sick person who is in doubt as to what is causing their present condition can have a
